

## **District's Plan For The Future**

On February 14, 2017 at the Board of Directors meeting in Holbrook, the following recommendations were made and unanimously approved by the Board of Directors.

WML will continue to have the Recreation District Employees (Lake Patrol & Administrator) paid by the District. Employees would remain District Employees and would not be considered County Employees. The Clerk of the Board of Directors will supervise the Administrator and the other District Employees.

The maintenance/patrol schedule for the lake has been determined to be:

**In Season:**

3 temporary Patrol/Maintenance Employees 70 hours per week (Average of 23.33 each) at \$12.00 per hour

**Off Season:**

5 hours per week for Patrol/Maintenance

Pat Stevens will continue to be the Administrator

Job descriptions and applications are posted on the website

The Advisory Committee was disbanded. A Spring Town Hall will be conducted each year by the District Employees, County Staff, and members of the Board of Directors, to receive feedback from the community.

Letters of invitation will be sent to each property owner prior to the event as well as public notification.

There will be a local suggestion box for the community's input.
