

White Mountain Bass Club
Tournament held at WML on 7-22-2018

Here is the thank you I received from WMBC

Thank you all so much for allowing us to fish your lake. A couple of teams did really well while some of us struggled. The winning team caught all of their fish around the docks, including a 7# 2oz. bass!!! They had 16.88 #'s for their 5 fish limit. The second place team caught theirs on the north bank by the big cottonwood trees and by the bouy on the east side. Their big fish was 5# ! oz. Their total wight was 14.66#. You can see all the pics on our facebook page...white mtn bass club. We did not get a chance to talk with many people after wards thanks to that little storm that rolled through right when were getting done. I will tell you we are working on plans for some artificial habitat. I have attached the results in case you don't have facebook. Again, thank you for allowing us to fish your wonderful lake, we can't wait to do it again.
